IN RE: AT&T Communications of the South Central States and TCG MidSouth, Inc. Petition for Structural Separation of BellSouth Telecommunications, Inc.

DATE: November 5, 2001

On May 2, 2001, AT&T Communications of the South Central States, TCG MidSouth, Inc. and the Competitive Telecommunication Association filed a Petition with the Tennessee Regulatory Authority ("Authority") asking the Authority to convene a contested case to investigate requiring the structural separation, according to wholesale and retail operations, of BellSouth Telecommunications, Inc. ("BellSouth"). On June 11, 2001, BellSouth filed a motion to deny AT&T's request to convene a contested case and to dismiss AT&T's Petition, which was assigned the above-referenced docket number. On June 29, 2001, BellSouth supplemented its motion with an order from the Virginia State Corporation Commission regarding this issue. These and other filings in this docket are available on the Authority's website (www.state.tn.us/TRA).

Anyone interested in filing comments and/or briefs addressing BellSouth's motion or any of the other filings in this docket should do so no later than **Thursday, November 29, 2001**.
